“The Lord possessed me in the beginning of his way, before his works of old. I was set up from everlasting, from the beginning, or ever the earth was. When there were no depths, I was brought forth; when there were no fountains abounding with water. Before the mountains were settled, before the hills was I brought forth: While as yet he had not made the earth, nor the fields, nor the highest part of the dust of the world. When he prepared the heavens, I was there. When he set a compass upon the face of the depth: When he established the clouds above: when he strengthened the fountains of the deep: When he gave to the sea his decree, that the waters should not pass his commandment: when he appointed the foundations of the earth. Then I was by him, as one brought up with him: and I was daily his delight, rejoicing always before him; Rejoicing in the habitable part of his earth; and my delights were with the sons of men. Now therefore hearken unto me, O ye children: for blessed are they that keep my ways. Hear instruction, and be wise, and refuse it not. Blessed is the man that heareth me, watching daily at my gates, waiting at the posts of my doors, For whoso ever findeth me findeth life and shall obtain favour of the Lord. But he that sinneth against me wrongeth his own soul: and they that hate me love death. “For a time a number of the converted to the Christian Abyssinians - an incident that was perhaps not without its influence in later doctrines & views of the Prophet mahomet himself, although safe from bodily harm was in a most disagreeable situation. Especially unpleasant were the jeers of scoffers who demanded miracles or benevolently offered to send a celebrated physician to cure him of his lunacy. ... The Qurais had no sooner disappeared than mahomod marched forth & fell upon the Jewish Quaraidhad; the men to the number of 700 were beheaded, & the women & children were sold to the bedouins. (koran 33:26). ... The meccans weary of the constant injury suffered by their trade ... granted him to visit the kaaba ... peaceful conquest of mecca; the Qurais yielded the very point they had been most anxious to defend. During this truce mahomot was not idle in extending his power. The oasis of Kheyber, about 60 miles north of medina, into which a portion of the expelled Jews had retired, was conquered, the land was divided among his followers ... The number of believers constantly increased ... he demanded they should submit to his rule & embrace his doctrine, ... More important was the profitable pilgrimage to mecca in 629AD. It became more & more apparent that there was no one in Arabia capable of withstanding for any length of time the steadily increasing power of the mohammedans. One after another the bedouin tribes surrendered & soon the prophet turned his eyes toward syria ... repeating the customary mohammedan confession of faith. ... cherished especial hatred.”

ks witnessing the massacres.

Villages continue to be burned, crops destroyed, wells poisoned and civilians raped, tortured and killed by Arab militiamen known as the Janjaweed, who have been armed and supported by the government in Khartoum.

A separatist battle that turned into an attempted genocide has now become a grinding war of attrition.

Diplomacy aimed at ending the conflict is in disarray and will collapse if Mr. Bashir becomes the AU's head. Darfur's rebels, who have been holding intermittent

an existing UN peacekeeping operation in southern Sudan, which is trying to end two decades of civil war between the Sudanese government and the Sudan People's Liberation Movement.

Sudan, for its part, has been stalling for time, balking at bringing non-African troops into the country and objecting to any attempt to alter or strengthen the AU's mandate in Darfur.

If Mr. Bashir takes over at the AU, no one expects him to rush to resolve the crisis. He will count on the continuing indifference of the rest of the world.

Reluctant to intervene, the international community has already reacted in slow motion just as it did during Rwanda's genocide.

After its first ultimatum to Khartoum in July, 2004, the UN Security Council took more than eight months to disarm the Janjaweed, before it applied limited sanctions and referred the Darfur crisis to the International Criminal Court.

In the meantime, the AU in Darfur suffered and the people dithered ineffectively on the sidelines.

THE KING JAMES HOLY BIBLE IS THE ONLY WORD OF GOD, St Matthew 22:30 SAYS WOMEN ARE AS THE ANGELS OF GOD. ALL OTHER “bibles” are not the word of GOD. The question “In the resurrection whose wife shall she be of the seven? for they all had her” St Matthew 22:28-30. Smart alecks tried to put women down, but JESUS answered & said “Ye do err, not knowing the scriptures nor the power of GOD. For in the resurrection “they” neither marry nor are given in marriage but are the angels of GOD IN HEAVEN” pertains to women only, not people. Men change “resurrection to people is not GOD’S word in other bibles. Check out if you have the exact word of GOD by JESUS in your bible.

**man made

**GOD said, “Isaac:
I will establish my
covenant”** Genesis 17:19.

God is Judaism prophesy is Jesus Christ
in the flesh “Moses wrote of me” NT.

**Resurrected-ascent Jesus
in heaven,** is exact same for
Christians; **is God’s love seen
salvation. Luke 24:51-53 NT.**
All else is apartheid of God.

“Ye must be born again.” John 3:3-7
to Catholic 10 agape laws, because all
else is evil contrary, unjust, immoral = hell.

Everyone in the world is Genesis 1:26-28, born to give glory and honor to God through His Son ascent Christ "before the world was." Saint John 17:3-5. It's humanitarian duty to save civil people & civil life at the expense of evil thinking-wrongdoers 98:6 hate, 4:34 beat women, 33:26 terror-kill, 7:4 destroy, 65:4 pedophile not menstruated Aysha, is obvious proof allah has never existed ever, zero god in islam, doesn't fool anyone anymore, are crimes against humanity, has no right to exist, referendums abolish completely. Now all Muslims are free "Born Again" to GOD the Father everlasting life salvation by resurrected-ascent Jesus Christ into heaven, Saint Luke 24:51-53 positively seen, 1 Corinthians 15:6.

The truth doesn't hurt, it saves, is a fact of life. "This is the work of GOD, that ye believe on him whom He hath sent." Saint John 6:29. "And whosoever liveth and believeth in me, though he were dead, yet shall he live." Saint John 11:25.

GOD IS LOVE. GOD IS JESUS IN THE FLESH GUARANTEES HEAVEN.
The secret to life: Ask "Jesus help me" & He will. "We have found the Messias." St. John 1:41, 6:27 sealed.

mohamad used his tribes star/moon idolatry to deny his CREATOR/SAVIOR GOD & † JESUS LOVE "healed them all" Saint Luke 6:19. 78:33, 37:48, 38:52, 56:36 virgins is written proof no allah/god in islam.

"Before the world was" Saint John 5:46 & "Before Abraham was I am" Saint John 8:58 confirms 1HolySpiritGodChristeverlastinglifeTrinity Love back & forth, easy to live by. "For the Son of man has come to seek and save that which was lost." Saint Luke 19:10. "enclosed a great multitude of fishes ... they forsook all and followed Him" 5:11. Behold the lamb of God, died on a cross to take away the sins of the world, resurrected-ascent into heaven, positively seen, actually happened, overcame death, is a fact for Christians.

Eternal God is Jesus love in the flesh, not allah 98:6 hate, 56:36 virgins. You should have known GOD proof was inevitable.
